## Customer Reviews

I recently bought this on , and like another reviewer discovered that the Edward II play actually was the text of the apocryphal play Edward III, which some have wrongly in my view attributed to Shakespeare. Internal references and wordplay offer strong evidence that this is in fact a Marlowe play, and some Marlowe scholars also contend that it is a Marlowe play, particularly the allusions to Hero and Leander, an as yet unpublished poem at the time of Marlowe's death. In E3, the word Peers is capitalised relating to the meaning peers and punned upon. There is a character Piers of Gaveston in Edward II where the exact same wordplay is used. Unlike the other reviewer, I contacted the publisher who immediately replaced my file with the correct Edward II text. Clearly the Kindle file sold by has not been updated with this information, or else the other reviewer bought it before it was updated. I also bought the Kindle book by The Life & Complete Works Of Christopher Marlowe, which does have the original play, which I have separately reviewed. I consider this to be a

great investment, because there are no complete paperback versions of Marlowe's complete works available on . You can buy the Christopher Marlowe: The Complete Plays and
