Synopsis

Warning: The tale you are about to read is a story of sexual creatures, human or otherwise. This tale is for adults 18 and up. ***Blue Mage is Book 1 in the Blue Mage Series.*** Trystan is a young hapless mage who wishes to continue his magical studies, leaving his hectic and miserable life behind. But in order to do so, he must take on a familiar, a being who's purpose is to store magical energy, protect him from harm and keep his dirty secrets. When Trystan is accepted to the Elemental College of Stukarr, he knows he must take the next step and choose a familiar for the long quest ahead. The mage is hesitant because he knows familiars can be demanding and hard to control much like his evil girlfriend, Freya. Trystan's best friend, Nia, encourages Trystan to take the leap with her and runaway to the elemental college. The quest will take them from their small seaside town to a world of monster girls, magic and seductive adventure. Will Trystan's new familiar drive him crazy? Can Trystan keep his familiar's lustful appetite for his seed at bay? Will the mage uncover deep rooted feelings for his best friend? Will evil Freya stop the mage and force him back to be her submissive servant?

Customer Reviews

Story has potential, now itâ™s up to the author to iron out some of the weak spots. As with all the

books nowadays the main character starts out as the weakest character in the story. His friends and outside influences help strengthen his resolve. The author needs to be careful with weak and whinny. Nobody likes whinny characters. Found the erotica to be straight forward, not dominate in the book. Author seems to be looking for that right mixture of a story, with a sugar added. Would have given the author 3.5 stars if possible, but since the author took the chance to create the story, I rounded the rating up to 4 stars.

Easy to read not too many characters. The sex parts were predictable but still got the blood flowing. Should have been more to the female Nia character and her familiar. Overall entertaining and satisfying.

Great story looking for more of the series, hope school is up to teach them.
