A Thread Of Truth (Cobbled Court Quilts)

Synopsis

Come home to Marie Bostwick's poignant novel of new beginnings, old friends, and the rich, varied tapestry of lives fully lived. . .At twenty-seven, having fled an abusive marriage with little more than her kids and the clothes on her back, Ivy Peterman figures she has nowhere to go but up. Quaint, historic New Bern, Connecticut, seems as good a place as any to start fresh. With a part-time job at the Cobbled Court Quilt Shop and budding friendships, Ivy feels hopeful for the first time in ages. But when a popular quilting TV show is taped at the quilt shop, Ivy's unwitting appearance in an on-air promo alerts her ex-husband to her whereabouts. Suddenly, Ivy is facing the fight of her life--one that forces her to face her deepest fears as a woman and a mother. This time, however, she's got a sisterhood behind her: companions as complex, strong, and lasting as the quilts they stitch. . .Praise for Marie Bostwick's *A Single Thread*"Enjoy this big-hearted novel, then pass it along to your best friend."--Susan Wiggs"By the time you finish this book, the women in *A Single Thread* will feel like your own girlfriends--emotional, funny, creative and deeply caring. It's a story filled with wit and wisdom. Sit back and enjoy this big-hearted novel, and then pass it on to your best friend."--Susan Wiggs, New York Times bestselling author"Marie Bostwick beautifully captures the very essence of women's friendships--the love, the pain, the trust, the forgiveness--and crafts a seamless and heartfelt novel from them. Evelyn, Abigail, Margot, and Liza are as real and endearing as my own closest friends, and as I turned the last page I felt that sweet, satisfying sorrow in having to say goodbye that marks the work of a writer at the top of her game." --Kristy Kiernan, author of *Catching Genius* and *Matters of Faith*"Bostwick makes a seamless transition from historical fiction to the contemporary scene in this buoyant novel about the value of friendship among women. . .Bostwick's polished style and command of plot make this story of bonding and sisterhood a tantalizing book club contender." --Publishers Weekly

Customer Reviews

Reading this book is like coming home to a very familiar place with cheerful faces smiling at you as you walk into the door. Ever since her first book in the series, "A Single Thread," I have come to love her cozy books about women, friendship and quilting. I am not a quilter but I hope to eventually make a quilt of my own someday. Reading again about Evelyn, the owner of the Cobbled Courts Quilt Shop and breast cancer survivor; Abigail, New Bern's richest woman and her lawyer boyfriend, Franklin; Margot, the peppy former marketing advertiser who now works for Evelyn; Liza, Abigail's niece and artist-in-training and Garrett's (Evelyn's son) girlfriend; all are beloved characters back into the fold again. This time, Bostwick adds another character, one who struggles with domestic violence, being displaced and having to fight for her children's safety and custody; Ivy. Ivy is a young woman living on the lam when a wrong turn landed her in New Bern. Slowly beginning to heal from the injuries inflicted upon her by her husband, Hodge, both physical and mental, Ivy begins to hope that perhaps there is a life for her after all. Then it all comes crashing down when inadvertently, she was featured in a short video advertisement for Evelyn's special project she is spearheading with Mary Dell, on the issues of breast cancer. Hodge found her and Ivy began to wonder if her life would ever be hers to claim again. This book takes a different turn from the attention being so focused on breast cancer. This time, Bostwick studies the issue of domestic violence and how it wrecks havoc not only into the victim's life, but also in the lives of her children.
