THE PEARL (Volumes 1 To 4): A Journal Of Faceti~ And Voluptuous Reading

Synopsis

Locus Elm Press is proud to present William Lazenby's genre defining Victorian erotic periodical The Pearl. From the same infamous publisher that followed with the The Boudoir and The Oyster this licentious "Journal of Facetious and Voluptuous Reading" contains the classically debauched tales of 'Lady Pokingham' and 'Miss Coote's Confession' and 'Sub-Umbra; or Sport Among the She-Noodles', interspersed with bawdy tales of utmost lasciviousness and songs and poems equally graphic. Volumes I to IV, anonymously written during the 1870s and considerably presented here-in as originally published with a fully searchable indexed, is a sound source of titillation. With tales including lesbian tribadism, gamahuching, group menages, the finest lashings of BDSM tossed in for good pleasure, and ALL manner of front and rear deed and device in between this collection will be sure to pique the interest of those a fan of the genre. Crack in open... it's very hot inside. Volumes 5 to 8, Volumes 9 to 12, Volumes 13 to 16, and Volumes 17 to 18 (plus the Christmas Special) are also coming very soon to Locus Elm Press.

Customer Reviews

A classic in its time. I did not care for piecemeal episodes. Limericks are too many.

Saucy a bit debauch

19th Century Porn.

loved it
