Body Contact (Hands On Serial)

Synopsis

Body Contact is the second of a three-part erotic series from New York Times and USA best-selling author Cathryn Fox. Asking pro football player Jack Rider to teach me everything he knows about sex might have seemed like a good idea at the time, but now I'm not so sure I can handle a guy like him. I thought he'd just straight up do me, ridding me of my pesky virginity sooner rather than later. But no, he had his own ideas about bringing me up to speed on sex. His two weeks of slow seduction might just be the death of me, but since he's the one in charge, I have to play the game his way. Not that I'm not enjoying it. I am. Who wouldn't, right? I guess I just can't help but wonder how I'll ever let another man touch me after him. This is the second of a three-part series full of mind-blowing sex, featuring a dirty-mouthed football player who knows the score and an inexperienced therapist who needs to learn it. BODY CONTACT is sure to leave readers begging for more. The next installment comes September 2016. The Hands On serial is best enjoyed in order. Reading Order: Book #1 Hands On Book #2 Body Contact Book #3 Full Exposure (available in September)

Customer Reviews

Body Contact is the second installment to Hands On Series by Cathryn Fox. This book canâ™t be read as a standalone since the story picks off right where it last left off in the previous book. "Who would have thought that sweet, virginal Danielle Langâ™ a recent graduate who wanted to open a family counseling practice someday, but had taken a sex therapist position in the meantime to help pay down billsâ™ would come to him and ask for sex lessons to get her up to speed before summer classes started up? He probably shouldnâ™t be looking forward to it as much as he was.â™

Danielle Lang is still a virgin but donâ™t worry this time Jack Rider has lots of teaching to do and Danielle is his willing student for the next two weeks. Jack never expected that he would feel something for Danielle especially they both made it very clear, two weeks of sexual education thatâ™s it. But once he got a taste of Danielle, teaching her oral sex and pleasure, it seems that Jack Rider might be falling for his student and friend. So what happens when feelings, friendship and sex begins to get blurred? Will Jack be able to walk away knowing that there is a looming expiration date? Is two weeks enough or will Jack realize that he wants and needs more time?"

When I finally take you, when I drive my c#ck into that sweet p#\$sy of yours, lâ™m going to own you . Youâ™re going to be so hot and wet for me, lâ™m going to possess every f&^%#ng inch of you. And you wonâ™t be nervous or afraid. No, youâ™re going to be begging me for it. And when you do, lâ™m going to ram my c@#k into you so hard, youâ™re going to forget your own name. But believe me, youâ™ll never forget mine.â™

Body Contact was deliciously sexy and steamy.
