Queen Bitch (The Kurtherian Gambit Book 2)

Synopsis

The UnknownWorld is reeling from change. Bethany Anne has started to make a difference in the first week of being 'awake'. Now, America has been losing good men since their teams don't have a Vampire to help them and Frank is hoping Bethany Anne can, and will, help. Further, the American Pack Council is having internal problems with their own "young and dumb" Werewolves who want to ignore Michael's strictures. With no one seeing Michael, the fear of the 'Boogeyman' is starting to recede. That's ok with Bethany Anne, it means she will personally deliver the message there is a new vampire in town. Immediately following the story of Bethany Anne from 'Death Becomes Her', Queen Bitch rides a rollercoaster of action and a heavy dose of creative cussing. Bethany Anne starts to get a team in place to help her affect change. Because, whether the UnknownWorld wants it or not, change is coming. *Ver 1.10 - modified 11/28/2015 with copyedit corrections. **NOTE: Version 1.20 (Edited by James Coyle) out now! Series includes: Death Becomes Her - The Kurtherian Gambit 01 Queen Bitch - The Kurtherian Gambit 02 Love Lost - The Kurtherian Gambit 03 Bite This - The Kurtherian Gambit 04 (Dec 2015) Never Forsaken - The Kurtherian Gambit 05 (Dec/Jan 2015)

Customer Reviews

The problem with Mary Sue books like this is that they are so enthusiastically written that it takes a while for conscious thought to seep through the cracks until one realizes that the book isn't very good. I made it through the first two, and I'm done. The author plans at least thirteen books in this series, and I won't be there for the ride. The tragedy of this series is that it had potential - a moderately interesting storyline, decent action, but was squandered through some underwhelming writing, poor editing, and completely flat characters. So - in the first book, Bethany Anne (I'm surprised he didn't just name her "Mary Sue," that's about as close as you can get without doing so) is an attractive, highly skilled, intensely honorable daughter of a high-ranking military officer and the obligatory dead mother. She also suffers from an incurable PLOT DEVICE that will kill her in six months, because there is no gray in this series AT ALL and of course, the vampire who turns her will only choose people who are near death because honor. This he holds to, even though he has absolutely no compunctions about killing anyone else, including people who give him lip. Bethany Sue accepts the offer to become the vampire - OF COURSE, because the series would end much more quickly, and is transformed into a super vampire - becoming taller, hotter, and ridiculously invulnerable. How ridiculously invulnerable? Someone blows a large hole through her torso and she is mildly inconvenienced. In the second book, her foul mouth, astounding hotness, and unmatched prowess at combat endears herself to the military bros who become her team (and all of them are totally "Special Forces Stu,") and begins to put herself in charge of all the vampires and werewolves.
