False Start - A Football Romance

Synopsis

Callum As the best wide receiver in the NFL, I can catch anything thrown my way. But the one thing I want the most, I can't hold on to. When Amelia Hart walked out of my life, I didn't run after her. I let her go. I had to. But when she split, she took my heart with her. Running into her again took my breath away. One look and I knew the girl from my past was my future too. This time, I'm not fumbling the ball. I'm going to hold on for dear life. Our life. Together. Because one thing I know, a false start always gets a second chance. *This is a stand alone full length romance with a happily ever after and no cliff-hanger! ***BONUS - For a limited time, each download of False Start includes two additional Sports Romance novels written by Saylor Bliss! **

Customer Reviews

Amelia gets news from Callum, he has been offered a football contract but he has also turned it down. She doesn't want to hold him back, so she does the only thing she can do to make him take it! Callum is left heartbroken by what Amelia does and he can't understand why she's done it. To drive home her point she tells him she doesn't want him, and in the process breaks her own heart.

So he does the only thing he can do and ends up taking the contract and leaving every one and her behind. And you can tell by the first couple of chapters how much they both love each other! 6 months later, Amelia has her dream job and so does Callum, they come face to face again! Amelia has one hell of a surprise for Callum too! She's pregnant with his baby!! Callum says a few harsh things to her and Amelia runs off and gets hit by a cyclist so she's taken to the hospital. Even though they are both hurting, they can't help but feel all those old feelings as they come rushing back. Amelia acts all cold but that's all it is, and Callum realises that he still loves her and he will do anything to get her, his baby and Carson, [Amelia's little brother] back for good. He takes her home with him and she meets his roommate and friend Griffin! They share a tender moment but all is dashed once again and Amelia storms out and Griffin goes after her. While they are out Amelia realises she wants him back too! They are all loved up again but then things take a turn for the worse! Amelia is left feeling terrified and she pushes Callum away again but this time he's prepared to fight, and boy does he fight! OMG, I blasted through this book so quick, which is a good thing. It was fantastic! I really enjoyed everything it and everything that got thrown at Callum and Amelia, they bounced back from!
