Synopsis

Smithville University is a typically small college in Middle America. When a new student transfers in, strange things start happening to the sisters of the Phi Mu sorority, changes that make them more buxom, docile creatures. The mysterious Maureen appears to be at the center of it all, and sorority sister Kaley sets out to find out what makes her sisters act so strangely before the same fate can befall her! With over 11000 words of creamy fun, Phi Moo takes horror erotica to new, creamy heights!
