Outpost In Time (The After Cilmeri Series Book 11)

Synopsis

March 1294. Ireland is at a crossroads. The different factions--Irish, Danish, and English--are tearing the country apart with their constant warfare. Hoping to hammer out a treaty, David calls the Irish Parliament into session. Unfortunately, some lords are far more interested in fighting than talking, and it isn't long before the conference goes awry. With the future of Ireland at stake, David finds himself caught up in a far-reaching conspiracy that puts not only his only life on the line, but his family's as well. *Outpost in Time* is the eleventh novel in the After Cilmeri series.
