Customer Reviews

Love these Magic Tree books for my 8 yr old. He can read them easily and has nice imaginative adventures, not spooky, gory, or too magical. I get them in English and Spanish, which is great! Not too many options for Spanish books, which I need, as my kids are in Dual Immersion Spanish program. Great price too!

Esta mal editado, con colores pobres, le faltan pÃginas y mal escrito el hecho narrativo. El editor se brinco hojas o al escritor se le perdiÃ el hilo narrativo. This badly edited, with poor color, missing pages and misspelled the narrative fact. The publisher or the writer leaves jump he lost the narrative thread

book took a little time to come in, but it's cheap and perfect

I have a sponsored child in Bogota, Columbia. She likes to read and only speaks Spanish. I was so happy to find appropriate books for her in the Spanish language. I sent her this book for Christmas and I know she will be so happy to have a book of her own to keep.
